

## Call for PTO Nominations

### **SPECIAL ELECTION**

With our ever changing world of Covid we have a newly vacated Vice President position open on the Discovery PTO board. We would first like to thank Connie Martin for the amazing job she has done with this position over the last year and let her know how much she will be missed. We wish her the best of luck in the upcoming year and hope to see her back next year.

The Vice President position is one that involves working with our local sponsors and supporters and helping to facilitate fundraising and helping with events. We hope you will consider nominating yourself, friend, or family member for a PTO Vice President position for the 2020-2021 school year. The PTO is a fun and dynamic organization that makes a big difference in the Discovery community. The success of our organization depends on parents. So, here is another great opportunity to help your children, their teachers and our school.
