

Call for PTO Nominations

Every year, the Discovery PTO Board holds elections, this year will be a little different with our current situation! The PTO board is vital at Discovery and we need dedicated individuals who are committed to excelling the PTO. We are looking for new and amazing ideas!

We hope you will consider nominating yourself, friend, or family member for a PTO leadership position for the 2020-2021 school year. The PTO is a fun and dynamic organization that makes a big difference in the Discovery community. The success of our organization depends on parents. So, here is another great opportunity to help your children, their teachers and our school.

This year we are also calling for Committee chairs. This is a way to be involved on a sampler scale and for a set amount of time or a specific event. This is an awesome new way to be involved.

If you have the time and interest to serve, please complete the form and email it to discoverydonationsandevents@gmail.com

Nominations must be received by April 10th 2020

The Nominees will be announced on April 17th and elections will take place virtually through a google survey on Friday May 1st . Remember, you may nominate yourself or someone else. We will contact all nominees to be sure they are interested.

Place a check mark by the position you are interested in. If you are flexible about officer positions, you may rank the positions you are willing to fill by placing a #1, #2, and #3 by the position title. This also goes for the Chair positions also.

- President
- Treasurer
